Lovers of Jervis Bay

Many people come to Jervis Bay for its beauty, white sandy beaches, clear crystal waters, bush land in surrounding National Parks, village atmosphere, wildlife and the relaxed lifestyle.

The proceeds of the sales of the **SAVE THE BAY** supporters kits go towards projects and other community groups in and around the Jervis Bay area. Save The Bay promotes public awareness about the ongoing threats to the beautiful clear waters and bushland of Jervis Bay.

Jervis Bay is seen as one of the most important environmental sites on the east coast of Australia that needs ongoing protection.

Don't let rubbish become part of the Jervis Bay scenery.
